

GROUP **L** LABRIS

A leading multinational headquartered in Qatar with two decades of success in three sectors, Labris Group operates across Europe, Asia and Africa in **architecture, design and food**.

Our Architecture department specialize in interior design, architectural and engineering services, construction management. **Labris Group** works a boutique design firm dedicated to providing a full range of architectural services and building excellence at every stage of the development process while understanding the client's needs. Our practice, although broad, focuses on Hospitality with an emphasis in destination resorts and Luxury Residential Projects.

People expect more of **brands** than ever before. They expect brands to go beyond. We innovate and create at the intersections to bring forth the best possible growth solutions for our clients. Labris inspires brands and people to impact the world.

Today's consumers want **healthier** and responsibly produced food and drinks. To meet those needs, we strive to deliver healthy products and better-for-you alternatives for moments of indulgence. We offer diverse choices and solutions for different occasions and moments of the day.

In addition to those, Labris Group takes its place among the most successful **marketing** companies with its supply chain and structure, which succeeds in reaching a large customer base with its effective marketing efforts and rapidly procures the products desired to be supplied by the customers.

VALUES

Respect, quality and sustainability are just a few of our business values.

Our business culture is based on a set of core values – shared throughout the entire organization – that support our vision and shape our work ethic.

Respect is the basis of all our activities and we always maintain the highest standards in our dealings with employees, clients and suppliers.

Our love for **quality** lead us to have the same attitude towards the products and services we export: our constant search for quality is conducted with the utmost attention to sustainability and traceability, applying selection criteria that provide a wide variety of excellent products.

Since our main goal is to **support** our clients in reaching their business objectives, we always act with an open minded approach; this helps us identify their needs and be flexible in our offer.

The technological research we constantly invest in allows us to be proactive in providing them with innovative solutions.

ARCHITECTURE

Labris is a private architecture and interior design company established in Qatar in 2019.

Labris combines architecture development and interior design with a way of thinking and research that fosters high-quality design and tailor-made concepts with a very individual client relationship.

As a top architecture firm in Qatar, our focus is on sustainable, whole life-cycle building concepts implementing 21st century building standards. Labris works rigorously in scenarios, variations and alternatives with all media available; hand sketches, physical models, drawings, renderings and animations.

By constantly testing the limits of the outcome, the best suited architecture and interior design for any specific location, program and budget is guaranteed.

ARCHITECTURE

Working with the background of a team of **architects and engineers** with excellent and highly motivated international experience, new visions and added value are created by internationally recognized intelligent signature **design**.

Best results will be achieved by executing the whole value creation process, starting from feasibility studies and initial site analysis to concept design, design development, site supervision, interior fit-out and project management.

Through academic lectures, exhibitions and international publications, Labris architecture design and development in Qatar is actively participating in the global architectural discourse of the 21st century city.

GROUP **L** LABRIS

PRODUCTION

Adopting the classic furniture style and focus on this style, Labris continues to produce classic furniture, identified with its brand name and style. Over time, it has become the pioneer of the classic and has shaped the classical furniture concept.

Labris, by producing furniture in accordance with its purpose, reveals the quality and effort in its products. The secret to the visual richness of its products is the hand workmanship during production. The composition of wood and hand carving beautifully scenes the classic at its most special.

GROUP L LABRIS

Concept creation

Our designers acknowledge that good designs are founded on good concepts. Through our concept generation process, we can provide you with a framework that improves the accuracy and speed of your decision-making, leading to a space that is more truthful and consistent to your brand philosophy.

Interior design

The best interior concept and design is meant to enhance user experience, while bringing financial value and maximising the impact of a space. Our interior designers aim to achieve optimum functionality without compromising on your comfort and personal style. We are a forward-looking company that prizes the themes of futurism, minimalism, functionality, social and sustainability.

Turn key projects

We are capable of managing all kinds of design projects, from small-scale accessorizing to full-blown luxury renovations. With a combination of project management, design, and engineering services Labris provides all-in-one solution for clients across Qatar, the UAE and the GCC region.

Architecture

In Labris, our architecture design approach is not only to meet the needs and requirements of our clients and local authorities, but also to exceed the expectations by creating innovative, unique designs that implement the principles of sustainability, aesthetics, and efficiency. Whether it is a private residence, a hospitality building, or a high-rise building, our experienced architects will develop designs with a customized approach to every project.

Project management

Having a multidisciplinary team isn't always enough – you need to find out how to effectively combine their skills to produce stellar results, excellent service and undeniable client satisfaction. Labris builds on this principle, as we seek to deliver flawlessly executed projects, complemented by full support right from the design phase up to delivery and final installation.
